

Assignment

Graph the image of the figure using the transformation given.

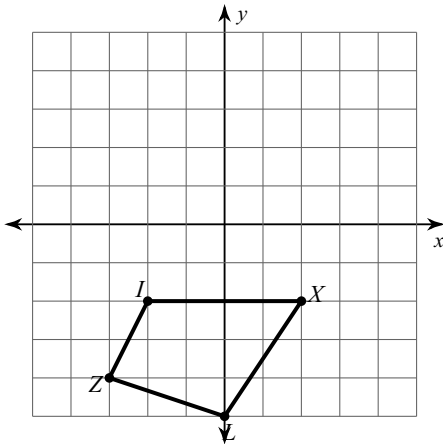

1) reflection across the y-axis

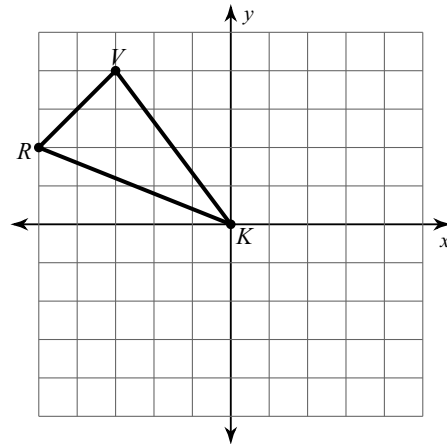

2) reflection across the y-axis

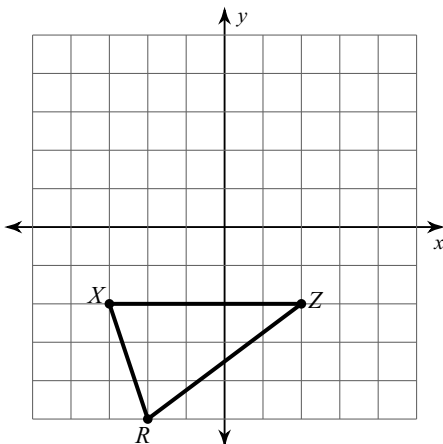

3) reflection across the y-axis

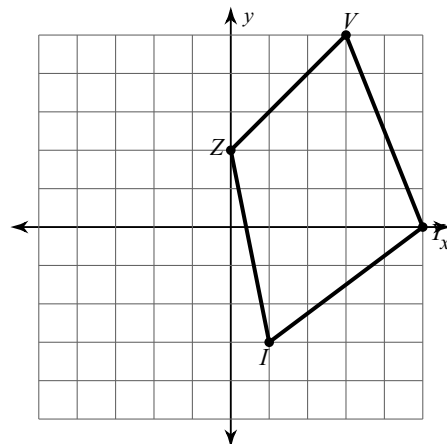

4) reflection across the y-axis

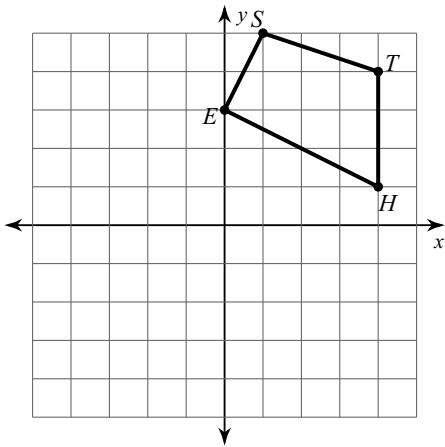

5) reflection across  $x = -1$

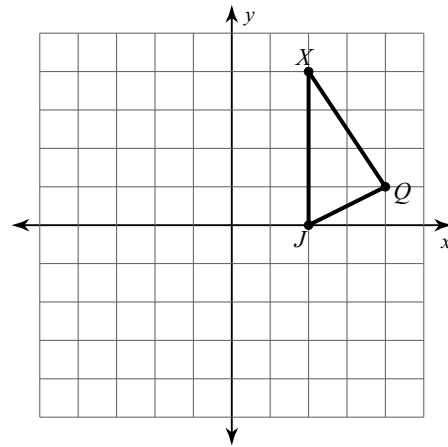

6) reflection across  $x = 2$

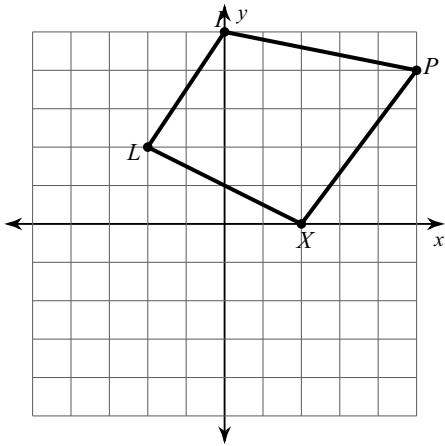

7) reflection across  $y = 1$

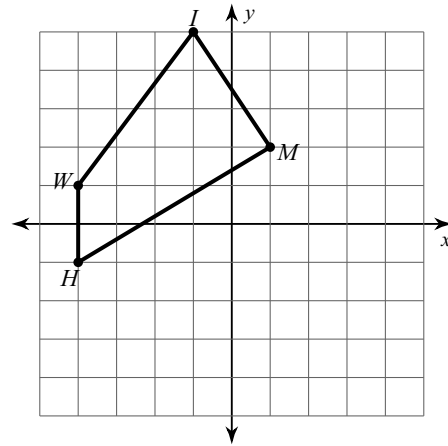

8) reflection across  $y = 1$

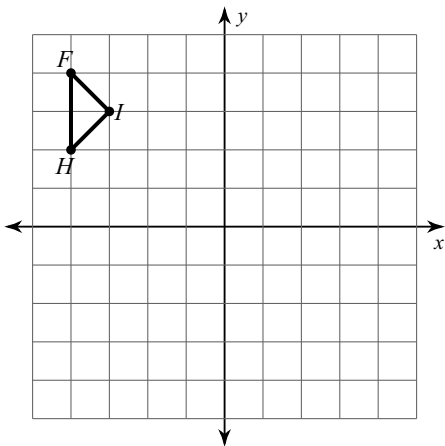

9) reflection across  $y = -x$

10) reflection across  $y = 2$

11) reflection across  $y = x$

12) reflection across  $y = -x$
